COOPERATIVE GROUP Membership

As Erewash Musical Society is currently financially supported by the Co-operative Group – Central & Eastern Region, we ask each new member (over 16 years of age) to join the Co-operative Group by completing the application form at the back of the attached leaflet. The completed form, together with £1.00 (minimum investment in the Co-operative Society), should be handed to the current Secretary. The form would be forwarded directly to the Co-operative Group, who would issue a member's number. It must be stressed, however, that the above is not mandatory and should be entirely the decision of the new member.
